

# **MONDAY**

#### **Y1 Rocking Readers**

Ms Karolina

Relax and listen to a story in the library.

#### Y1 Arabic A Alphabet

Ms Al Mslmani

Students will reinforce the Arabic alphabet letters through fun activities.

#### **Y1 Mini Masters**

Ms Paul

Children will explore a different artist each week, learning about a range of styles and techniques to incorporate into their own artworks.

#### **Y2 Creative Paper**

Ms Findlay

Children will get creative with paper.
They will learn different techniques and explore paper rolling, folding and origami to create fun crafts.

#### **Y2-3 Arabic B Singing Club**

Ms Abdin

The Arabic B singing club is designed to enhance children's listening and speaking skills in Arabic through fun rhymes and catchy music.

# **TUESDAY**

#### **Y1 Fun Phonics**

Ms Ashor & Ms Lamont

Fun Phonics is an exciting opportunity for children to explore letter sounds and letter formation through engaging and hands-on activities! Children will have fun while continuing to learn and recognise letter sounds, blend them together, and develop their confidence in reading. It's playful, active, and perfect for sparking a love of literacy!

#### **Y1-2 Mindfulness Matters**

Ms Muirhead

An opportunity for children to unwind in a nurturing environment that helps pupils develop self-awareness, emotional regulation, and a sense of wellbeing after a busy day at school.

#### **Y1-2 Water Bead Designs**

Ms Luukas

Helps to develop fine motor skills in a fun and creative way, using colourful water beads to make a design on a template.

#### Y1-2 Junk Modelling Club

Ms Harvey

Bring in your clean recyclable rubbish for a new lease of life! Each week we will create new creative masterpieces taking 'Reduce, Reuse and Recycle' to the next level!

#### Y1-2 Mindful Yoga

Ms Bradshaw

Children will have the opportunity to learn a variety of different yoga poses and routines while keeping fit in a calming environment.

#### Y1-2 Doodle Den

Ms James

Children will build creativity and confidence as they learn drawing skills and express themselves through fun, imaginative art projects.

# **TUESDAY**

#### Y1-2 Creative Craft Club

Ms Mattarooa

The Creative Crafts Club helps children use their hands and imagination to make fun art like paper animals, cards and decorations. Each week they learn to follow steps and enjoy being creative.

#### Y1-2 Super Hero Club

Ms Eid

Get ready to unlock your superpowers! In this fun and active club, you'll design your own hero, go on secret missions, and build teamwork skills—all while saving the day through games, crafts, and challenges. Capes optional, imagination essential!

#### Y1-3 Choir

Ms Eid

Children will sing songs in different styles and have the chance to perform at school events.

#### **Y2 Fine Motor Fun**

Ms Hope

Develop and build confidence with fine motor skills in a variety of ways. Lego, playdough, drawing and finger gym amongst others.

#### **Y2 Rocking Readers**

Ms Karolina

Relax and listen to a story in the library.

# WEDNESDAY

#### **Y1 Creative Paper**

Ms Findlay

Children will get creative with paper. They will learn different techniques and explore paper rolling, folding and origami.

#### Y1 Arabic B Alphabet

Ms Abdelmajid

Students will learn the Arabic alphabet through different activities.

For Arabic B students.

#### **Y1-2 Mini World Explorers Club**

Ms Fotopoulou

Pack your (imaginary) bags and get ready for an adventure around the world, as we explore jungles, oceans, deserts and more through games, stories and creative play!

#### Y1-2 Dino Discover Club

Ms Merchant

A dinosaur themed club with fossil digging, dino fact hunts, art and crafts. Incorporating movement, story telling and a bit of science fun.

#### **Y1-2 Magical Maths**

Ms Doherty

A hands-on Maths Club designed especially for Year 1 and 2! Each week, children will explore practical activities, games, and challenges that bring Maths to life.

#### Y1-2 Create & Play

Ms Ralton

A mix of crafting and games to develop fine motor skills, imagination, and social interaction.

# WEDNESDAY

Y1-2 Mission: Teamwork

Ms Mistry

Where teamwork makes the dream work! Through exciting games and challenges, children will build trust, cooperation, and communication skills—all while having a blast with their peers.

#### **Y1-2 Funky Fingers**

Ms James

Children will develop their fine motor skills through a variety of activities like threading, weaving and sewing.

#### **Y2 Mini Masters**

Ms Paul

We will explore a different artist each week, learning about a range of styles and techniques to incorporate into our own artworks.

#### **Y2 Social Circle**

Ms Barlow

A joyful and engaging club where children gather in a circle to explore emotions, practice listening, and build friendships through fun games and activities.

#### Y2 Elevate - Open Dance

Ms Bradshaw

Elevate is our new open dance group for Year 2 students who are passionate about dance and eager to develop their skills. This group is perfect for those who were not placed in our auditioned squads but still want to be part of the action! Elevate dancers will learn fun and energetic routines in a variety of styles and will have opportunities to perform at our dance drop-in events throughout the school year.

#### **Y2 Arabic B Little Explorers**

Ms Almoallem

Students will explore Emirati culture and heritage through stories, crafts, and playful activities. For Arabic B students.

# **THURSDAY**

#### **Y1-2 Brain Games**

Ms South

Children will learn to take turns while playing a variety of games. We will work on our Collaboration and TEAM skills.

#### **Y1-2 Joyful Jewellery**

Ms Mistry

Perfect for budding designers who love to get creative! Children will explore colours, patterns, and textures as they craft their own unique jewellery pieces to wear and share.

#### Y1-2 Lego Legends

Ms Kidd

Children will develop their creativity and fine motor skills by working as a team to construct using lego.

#### Y1-2 Drama Club

Ms Hoskins

Children will become pirates, princesses, animals, and adventurers by acting out stories, playing games, and building confidence along the way. No scripts, just giggles and great fun in Drama Club!

### Y1-2 Collage Club

Ms Oates

Children will have the opportunity to create unique collages of different landscapes by layering paper.

#### **Y1-2 Amazing Artists**

Ms Muirhead

Children will explore the work of a variety of famous artists and develop an appreciation for different styles and techniques. Children will learn about a new artist and recreate their own masterpieces inspired by that artist's unique approach.

#### Y1-2 Just Dance

Ms Luukas

Children keep fit in a fun and interactive way, following along to dance routines to their favourite songs.

#### Y2 Open Boys Football

PE team

Football training ECA for anyone who wishes to develop their football skills.

#### Y2 Open Girls Football

PE team

Football training ECA for anyone who wishes to develop their football skills.

#### **Y1-3 Green Screen Storytelling Adventures** Ms Sampson

Let your child's imagination take centre stage! Students will explore the world of media and film by reenacting their favourite short stories using green screen technology. They'll dive into the basics of film production while bringing their ideas to life through acting, costume creation, and storytelling. This hands on experience not only encourages creativity but also encourages teamwork, collaboration, and self expression all in a fun supportive environment. Please note that student creations may be shared on school social media.

#### **Y2-6 Strings Group (Advanced)** Mr Ismail

Students will be invited to join if they already play the violin and own their instrument. They will rehearse ensemble music and enhance their group performance skills.

#### Y2 Arabic A - Reading, Speaking & Writing Ms Mohammed

Students will focus on three of the core skills of the Arabic A curriculum to continue to develop and improve their knowledge and understanding of the Arabic Language.

#### By Invitation

#### **Y2-6 Strings Group (Beginners)** By Ms Eid Invitation

Students will need to have basic music knowledge and an interest in learning the violin. They will develop foundational skills such as posture, bowing, and playing simple tunes.

#### **Y2-3 7en Den**

Ms Marsh

Zen Den will help children unwind and recharge after a busy school day. Students will complete activities focused on mindfulness and reflection and yoga practices.

### Y1-2 Little Drummers - Djembe Fun

Ms Khaira

Join us for an exciting journey into rhythm and sound with the Djembe drum! In this fun club, children will explore African beats, learn to play simple rhythms, and work together to make joyful music.

#### **Y1-3 Science Explorers Club**

Ms Barnes

Get ready to explore the wonders of science each week as we discover new ideas and learn more about the world around us in fun and engaging ways.

#### **Y1-2 French Mother Tongue**

Ms Essari

The French Mother Tongue course develops the four skills of Reading, Writing, Listening and Speaking in the students' native language and cultural awareness. After registering in the ECA, the students will be assessed in order to determine the entrance level and their fluency in the French language.

Ms Saab

Y1-2 French MFL

The French MFL ECA develops the four skills of Reading, Writing, Listening and Speaking in the French language

#### **Y1-2 Spanish Mother Tongue**

Ms Carillo

The Spanish Mother Tongue course develops the four skills of Reading, Writing, Listening and Speaking in the students' native language and cultural awareness. After registering in the ECA, the students will be assessed in order to determine the entrance level and their fluency in the French language.

#### Y1-2 Spanish MFL

Ms Garcia Campos

The Spanish MFL ECA develops the four skills of Reading, Writing, Listening and Speaking in the French language

#### **Y1-2 German Mother Tongue**

Ms Fischl

The German Mother Tongue course develops the four skills of Reading, Writing, Listening and Speaking in the students' native language and cultural awareness. After registering in the ECA, the students will be assessed in order to determine the entrance level and their fluency in the French language.

#### Y1-2 German MFL

Ms Jovanova

The German MFL ECA develops the four skills of Reading, Writing, Listening and Speaking in the French language

# Paid ECAs

# GET INTO SPORT

Get Set Go Kids is a multi-sports kids club designed specifically for ages 3–6 years. We aim to give your child the skills, motivation and confidence to get a head start in sport and discover their passion to play. Don't worry about trying to find the right sport. By introducing new key skills and exploring a different sport each session, we develop the physical literacy and fundamental skills to help them find their game! We'll help your child track the sports they have played, the skills they have learned, and the activities they have enjoyed the most on their journey.

It is our goal to help your child to GET INTO SPORT!

### **ECA DETAILS:**

Monday 2:40pm to 3:30pm

Discovery Tent

AED 1,035 for 10 weeks (including kit)

# **CODING ADVENTURES**

## **YEAR 1-2**

Coding Adventures is designed for young learners to be introduced to the world of coding through ScratchJr. ScratchJr is a visual programming language specifically made for kids, allowing them to create interactive stories and simple games. Through creating animations, interactive stories, and basic games, children develop foundational coding skills like problem-solving, critical thinking, algorithmic thinking (breaking down problems into steps) and design thinking (creative problem-solving).

### **ECA DETAILS:**

# **MINDFULNESS**

# & EMOTIONAL INTELLIGENCE

**YEAR 1-3** 

Teaching Mindfulness and Emotional intelligence to children is essential for a lifetime of mental well-being and success. When kids learn to be present and understand their emotions, they develop resilience, empathy, and the ability to handle life's challenges. Mindfulness helps them focus and reduce anxiety, while emotional intelligence equips them to manage emotions and build healthier relationships.

### **ECA DETAILS:**

Monday 2:40pm to 3:30pm

Classroom

# CHESS YEAR 1-6

We offer engaging chess sessions that foster strategic thinking, patience, and concentration, skills beneficial in both academics and life. With chess, students gain cognitive abilities, improve focus, and build self-confidence, leading to better academic performance and decision-making. Through structured chess lessons, we'll provide an intellectually stimulating experience that supports students' overall development and growth.

### **ECA DETAILS:**

Se Mo

Sessions available: Monday, Tuesday or Thursday 2:40pm to 3:30pm Friday 12pm to 1pm

Classroom

AED 1,330 for 10 weeks / AED 1,195 for 9 weeks

# **ENGINEERS TO BE - SCIENCE**

## **YEAR 1-6**

Our Hands-On Science Club is perfect for students excited about experiments and eager to explore the wonders of chemistry. Each week, students dive into real-life and industrial applications of chemistry through fun, interactive experiments. Every term, they'll have the chance to participate in up to ten unique experiments, uncovering the science behind everyday materials and reactions. Projects are tailored to spark curiosity and deepen understanding, helping students see how chemistry shapes our world.

Key Skills Developed: Students build analytical thinking, observation, and problem-solving skills—all while enjoying safe, hands-on science activities!

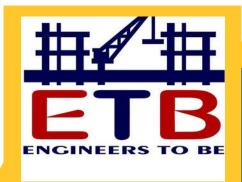

### **ECA DETAILS:**

Monday 2:40pm to 3:30pm

Classroom

AED 955 for 10 weeks

# BASKETBALL YEAR 1-2

Our basketball programs provides a welcoming environment where everyone is encouraged to participate. Designed to provide students with opportunities to learn and play basketball, regardless of their skill level.

### **ECA DETAILS:**

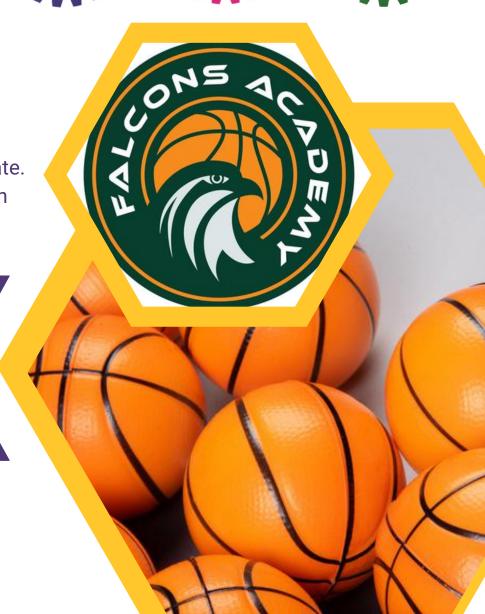

Tuesday 2:40pm to 3:30pm

Auditorium

# JIU JITSU YEAR 1-2

Brazilian Jiu-Jitsu is a martial art and self-defense system that focuses on standing and ground fighting techniques. It emphasises discipline, respect, and physical fitness, making it a fun and effective way for kids to build confidence and develop important life skills.

Optional Uniform - Please note that there is an additional cost if you would like to purchase a Jiu Jitsu uniform for your child. While the uniform is not mandatory, it is required if your child wishes to participate in the grading process.

### **ECA DETAILS:**

# STEAM CLUB

**YEAR 1-2** 

STEAM Club is the perfect place for young minds to dive into hands-on activities, experiments, and projects that will spark their curiosity and ignite their passion for STEM. Experience the thrill of problem-solving and critical thinking through a variety of engaging activities.

### **ECA DETAILS:**

Tuesday 2:40pm to 3:30pm

Classroom

# GYMNASTICS YEAR 1-4

DuGym gymnastic programme introduces the children to basic gymnastics skills and works on enhancing their speed, strength and suppleness.

Tuesday 2:40pm to 3:30pm

**Discovery Tent** 

# KARATE YEAR 1-2

At Champions Karate we offer a high level of traditional and sports Karate. All taught in a fun yet challenging way to build a Champion lifestyle.

### **ECA DETAILS:**

Wednesday 2:40pm to 3:30pm

**Discovery Tent** 

# ELECTRICITY - SNAP CIRCUITS

**YEAR 1-3** 

Young learners become electrical engineers as they explore the fascinating world of electricity through hands-on building with Snap Circuits. This interactive program introduces basic electrical concepts through safe, colourful components that easily snap together, allowing students to create working circuits, lights, sounds, and simple machines.

### **ECA DETAILS:**

Thursday 2:40pm to 3:30pm

Classroom

# ART ACADEMY YEAR 1-6

A creative and fun art schedule that includes topics in 2D and 3D materials. All projects have an artist focus and key skill. Children will explore drawing, painting, mixed media and sculpture design.

All children will receive a complimentary t shirt and sketch book to use throughout the term.

### **ECA DETAILS:**

Thursday 2:40pm to 3:30pm

Art Room

# **ARCHITECTURE DESIGN**

## YEAR FS2-Y1

#### **Architecture Design using Straw Connects & KEVA**

The Young Architect Program is a hands-on, creative learning experience designed for FS2 and Year 1 students to introduce them to basic architectural concepts, spatial awareness, and structural stability. Using Straw Connects and KEVA Blocks, students will explore engineering, design, and teamwork while constructing imaginative structures.

### **ECA DETAILS:**

# STREET DANCE YEAR 1-3

These are popular, fun and energetic, yet disciplined classes. Throughout the lessons a variety of different music styles, rhythms and beats will be used. Our street dance classes do not just focus on dance, but also incorporate flexibility, conditioning and technique work.

### **ECA DETAILS:**

Friday 12pm to 1pm

Challenger Drama Room

AED 865 for 9 weeks

# **ENGINEERING WORKSHOP**

## **YEAR 1-6**

Our engineering workshops are led by real engineers from various fields, with projects designed by a senior team holding master's degrees and reviewed by Ph.D. professors. Students engage in hands-on projects, moving through the entire process—from concept to design, using various tools to bring their ideas to life. Without ready-made kits, students think creatively, solve problems, and deepen their understanding of engineering. Each session features unique projects, helping students learn mechanics, build circuits, and understand forces while developing key skills in measurement, safe tool use, planning, and data interpretation. And, of course, they'll have fun!

### **ECA DETAILS:**

Friday 12pm to 1pm

Classroom

AED 865 for 9 weeks

# EARLY ROBOTICS

**YEAR 2-4** 

Early Robotics is a fun-based course for aspiring young learners. It focuses on delivering the logical sequential thought process imperative for programmers, bundling it with problem-solving, engineering design and critical thinking. They create lego scaled models from fully-functional complex automotive; they create flood gates, cranes, airplanes and more as they create simulations that assist them in challenging their own threshold of understanding. This program uses Lego Wedo2.0 for younger learners.

### **ECA DETAILS:**

Friday 12pm to 1pm

**Computing Room** 

AED 910 for 9 weeks

# YOUNG ARCHITECT YEAR 2-6

Spatial awareness and orientation is an important skill for children, as they grow and develop stronger motor skills. This is a course that initiates young learners into Design & Technology; a fun based program that orients kids from 2-D to 3-D structures. Interspersed with geometric shapes and designs are exciting doodles for the young learners to develop an understanding of design.

### **ECA DETAILS:**

Friday 12pm to 1pm
