YEAR 7 TO YEAR 11 PHONE POUCH

Year 7 to Year 11 students are required to purchase a Fixby Faraday Phone Pouch as part of our Mobile Policy.

What is a Phone Pouch?

The phone pouch is a padded fabric pouch used to store and secure mobile devices with a magnetic locking system. Mobile devices are placed inside the pouch and locked to prevent access. The pouch is able to be unlocked by using a magnetic unlocking station to access the device.

Signal-Blocking

The phone pouch contains a signal-blocking fabric which has been designed to block electromagnetic signals such as Wi-Fi and Bluetooth, by creating a shield around the electronic devices placed inside it.

Opting Out

Students either opt-out and leave their phone at home, or it is placed in a Fixby Phone Pouch throughout the day, which can be unlocked at 3:30pm. If a student who has chosen to "opt out" of using a pouch is found with their phone at school, a pouch will need to be purchased for the phone to be returned. To opt out, please complete the below Google Form:

[Y7-Y11 Fixby Phone Pouch Opt-Out Form](#)

New to SCS students can only purchase these once a Skippy account has been created in August

Only SCS branded Fixby pouches are permitted

Unlocking stations available across the school sites

How Does it Work?

At the start of the school day, students place their device inside the pouch and lock it using the built-in retractable magnetic locking pin*. At the end of the school day, students tap the lock on an unlocking station to release their device.

Purchasing A Pouch

This can be done directly through the school via the Skippy app. Once ordered and paid, pouches will be distributed to students at school. For payment queries please contact the Bursar via bursar@safacommunityschool.com

How to Unlock the Pouch

Locate the rounded side of the lock

Press the pouch lock down on top of an unlocking station

Allow the pin to pop open and access your device

"Pop"

*only use the locking mechanism as intended and ensure that the locking pin is fully retracted before accessing the pouch.
